NEW PARISH WEBSITE: Our Parish website has now been re-launched. The new format has been designed to be easier to navigate and edit and gives the opportunity to add photographs and additional links. We want to keep the site as current as possible but to do that we need everyone's help in keeping us aware of news and upcoming events. The new web address is www.stannesgateshead.org.uk. It is still a work in progress so please take a look and let us know what you think, either by email on info@stannesgateshead.org.uk or in writing. Thank you for your co-operation.
