A 'HEADY' LETTER: *Spike Milligan to a friend Stewart: "Pardon me for being alive. You must live a very desperate life and by the sound of your letter, I feel genuinely sorry for you. What was a simple request has become almost a legal issue and what was said in jest to your secretary has been accepted as gospel. I have already apologised to you and apologised to her. I can't do more than that, other than send my head on a plate. Will that be alright?" Sincerely. Spike. .*
