You who say in silence: "Jesus, I trust in You" teach us that there no faith more profound, no hope more alive and no love more ardent than the faith, hope and love of a person who in the midst of suffering places himself securely in God's hands.

"I do believe in Christianity, and my impression is that a system must be divine which has survived so much insane mismanagement."

### ST BERNADETTE RELIC TOUR

The apparitions seen by St Bernadette in Lourdes took place over five months, and over the course of time, an intimate relationship of trust, obedience, and love developed between Our Lady and Bernadette. In September and October this year, the relics of St Bernadette will journey on pilgrimage from Lourdes to England, Scotland, and Wales for the very first time. This very special once in a lifetime event will provide an opportunity for people of all ages and backgrounds to experience the special gifts and charisma of Lourdes in a church or cathedral near their home. The visit will provide people across the community of faith with a valuable opportunity for prayer and healing. For details go to:

[www.hexhamandnewcastlelourdespilgrimage.co.uk](http://www.hexhamandnewcastlelourdespilgrimage.co.uk)

The life and legacy of St Bernadette has touched the lives of people across the world. 160 years after the first pilgrimage to this special place began, Lourdes is one of the busiest Christian pilgrimage sites in the world, with the Catholic Church acknowledging 70 miracles as having taken place there. Because of the large numbers expected, it would be advisable to choose a location and select a date and time for your visit.
