SJOG Homes for Ukraine

The purpose of our programme aims to evacuate people from the warzones and prevent homelessness amongst those Ukrainians already in the UK. We've already supported 179 people into the UK and have over 900 people waiting to be supported. There is funding from The Albert Gubay Foundation and the Department for Levelling up, Housing and Communities.

Are you interested in making a difference by hosting a family fleeing war in Ukraine? As Russia's war in Ukraine continues, the need for hosts and homes is as high as ever. Please consider making a home from home for those in need.

A Legacy of Significance for Young People

The late Fr Dermot Donnelly founded the charity 'Significance' to provide opportunities for young people to realise their unique worth and to become all that God has created them to be; opportunities such as Flame, Retreats and Festivals and the proposed project of redeveloping the Emmaus Village. We need generous adults to accompany the young people of our diocese with their prayer, time and care and we need to provide rich opportunities for young people to grow in faith, or as Fr Dermot put it, to 'offer our young people a fresh perspective of their true significance as beloved children of God.'

Please see notice for more details at the back of church and ways in which you may donate.
