**A Legacy of Significance for Young People**

The late Fr Dermot Donnelly founded the charity 'Significance' to provide opportunities for young people to realise their unique worth and to become all that God has created them to be; opportunities such as Flame, Retreats and Festivals and the proposed project of redeveloping the Emmaus Village. We need generous adults to accompany the young people of our diocese with their prayer, time and care and we need to provide rich opportunities for young people to grow in faith, or as Fr Dermot put it, to 'offer our young people a fresh perspective of their true significance as beloved children of God.' Please see notice for more details at the back of church and ways in which you may donate.

**The TV is my shepherd....(!)**

The TV is my shepherd, I shall not want.  
It makes me to lie down on the sofa.  
It leads me away from the faith, it destroys my soul.  
It leads me to the path of sex and violence for the advertiser's sake.  
Even though I walk in the shadow of Christian responsibilities, there will be no interruption, for the TV is with me.  
Its cable and remote control, they comfort me.  
It prepares a commercial for me in the midst of my worldliness, and anoints my head with secular humanism and consumerism.  
My covetousness runs over; surely ignorance and laziness shall follow me all the days of my life, and I shall dwell in the house of wretchedness, watching TV forever.  
- **Father Tommy Lane, Mount St Mary's Seminary, Emmitsburg. USA.**
